"Just wanted to say thank you for Alex's fantastic birthday party. She said afterwards that it was her best party ever and the feedback from all her friends has been great, everyone had a wonderful time and quite a few have been doing lots of cooking since then. We were very impressed with the way you ran the party, the preparation you had done before and the way you cleared up afterwards. Thank you again Best wishes Jenny"

"Just a quick message to say thank you so much for the Party. Francesca really enjoyed herself as I think did the other girls. I know that one of the girls is already planning a cookery party so hopefully it will come your way.

It was all very professional and I will recommend you where I can, Kind Regards Arabella"

"Just wanted to thank you for the fantastic party you provided today. Olivia had a super time and I have already had several parents on the phone saying how much their children had enjoyed themselves. Thanks again for all your time and hard work. Regards, Angela"

"Pudding Pie communicated well throughout. Arrived on time. Entertained that children for 2 hours and left the home cleaner than before. Very knowledgeable about cookery even for special diets. My four year old was over the moon with her party and several parents commented on the quality and quantity of items for the party guests to take home. Would highly recommend. Sarah Harrison"

"I used Pudding Pie back in November 2008 for my Daughters birthday party she was 15, it was the best party she has ever had (her words) the service was fabulous, the idea was tremendous and they all loved it. I used Ilja again this week (May 2009) it was for a friends Hen Party, we had the Raclette Party, what a laugh, Ilja came with everything you could possibly want to eat, all the equipment and we had the best time ever, I have been to a few hen parties over the years, but this turned out to be the most memorable and the most fun, many thanks Ilja and Pudding Pie I cannot wait to use you again you really made both occasions memorable and brilliant fun all with no work and very friendly service, thank you, thank you, thank you. Anyone reading this please use them you will not regret it! H Keogh"

"Thank you for a fabulous party Ilja, the girlies had great fun and nobody would even have known you had been there apart from the delicious smells! You left the kitchen tidier than it was to begin with, you were great with the girls and the food was scrumptious! Thank you again! Do you do any cookery classes for children in school holidays? If you do Charlie is very interested, Thank you xx Samantha"

"Dear Ilja and Martin, I just wanted to send you a quick email to say a big thank you for Thea's party on Friday. Both Thea and all of her friends said this morning at school how much they enjoyed themselves. Especially when Ilja started throwing the dough around!

I was very impressed with how much patience you had as there were one or two (including Thea) that were getting a little loud at times. However, a great time was had by all. A few of the mum's maybe interested in your adults cookery courses, so I have done my bit and handed them out your leaflets. Thank you very much again and I'm sure you may be seeing us again soon. Take care and thanks again. Sarah M"
