

What we have been up to!

Hen Parties

We have hosted dozens of Hen Parties over the past year. They are fantastic fun and a nice change from the traditional Hen Doo! We have been everywhere from a Long Boat to a Mansion House. Maybe we will see you at a Hen Party soon.

Welcome to Pudding Pie Cookery Fun!

What a month it's been. We're already fully booked for the October School Holiday Courses, we advise to book early as they fill up quickly. We've just launched our new Family Cook & Dine Courses, giving the whole family the chance to cook and have fun together.

Our Raclette Cookery Parties and Children's Birthday Cookery Parties continue to do well and we are currently in the process of expanding our operation across the UK.

More updates to follow soon, you can always keep up to date on everything we are doing and check out our free recipes on our website.

Love Food Hate Waste

For the last 4 weeks we have been on the road with the Oxfordshire Waste Partnership, promoting the Love Food Hate Waste message. Encouraging the people of Oxfordshire to waste less food. We want everyone to buy or cook less, just eat what you cook; it's been fun but exhausting.

Month of Madness Cookery Fun!

120 children enjoyed cooking with us throughout the school summer holidays. Hope you all had fun! Ready for next year.

We enjoyed it.
