# Whats new at Pudding Pie

## Raclette Parties

Ever wanted a unique and fun dinner party to impress you friends or family?

This could be the answer you're looking for! A Pudding Pie Raclette Party is a great fun way to cook and have fun together. We supply the Grill and all the ingredients ready prepared. You just sit back with friends and have some fantastic fun.

## Welcome to Pudding Pie Cookery School!

October for us was the busiest month we have had yet. We were working with the Oxfordshire Waste Partnership throughout the month promoting their message of wasting less food, it was great fun, but really exhausting.

We then moved onto Hen Parties and 300+ children cooking in local schools for their Food Tech Week. All in all it's certainly been busy but we are still introducing new services, like our After School Cookery Clubs, Raclette Parties, Stag Parties and franchising the business. We've also managed to reduce the prices for our Children's Courses and the Adult Courses in our Kitchen and we will announce the other new areas we are looking at soon.

These can be used for any of our services from a Dinner Party to a Cookery Lesson in our kitchen or customers home. We have Vouchers from £50, so why not give something different this year!
